Community Giving Department

Dear Community Partner,

I am pleased to introduce you to Fancy Frocks Foundation, Inc., a Florida-based nonprofit organization dedicated to empowering youth from underserved communities. Our mission is to ensure that every middle and high school student — regardless of gender, culture, or background — has the confidence and support to celebrate life's milestone moments, including proms, graduations, and award ceremonies.

We provide free formalwear, host confidence-building workshops, and organize community events that uplift and inspire young people during critical stages of development. Our programs nurture not only style — but also self-esteem, leadership, and a strong sense of belonging.

Enclosed is our Sponsorship Packet, which outlines our mission, impact, and tiered partnership opportunities. We would be honored to partner with your organization in

creating brighter futures for the next generation.

While we are currently awaiting IRS approval for our 501(c)(3) tax-exempt status, we are actively building relationships with community partners and sponsors. We will notify you as soon as our approval is confirmed and hope to explore how your support can help us expand our efforts across South Florida and beyond.

Thank you for your time and consideration. Please feel free to contact me directly with any questions or for additional information.

With appreciation,

Sophia Lobban  
Founder & President
